

WELCOME

We are very pleased to welcome you in our Restaurant Finch.

Experience sophisticated enjoyment of naturally healthy and consistently fresh products. Our kitchen team processes seasonal food from regional producers to refined and at the same time authentic dishes.

A wide range of Swabian classics, international creations and light cuisine with a modern interpretation awaits you. You can also find delicious food without meat or any animal products – please pay attention to the labeling of our vegan dishes with the green bird! Are there any other special requests? Please let us know! We gladly provide a separate menu with all declarable allergens and additives.

To match the dishes of your choice, we will be very happy to recommend you a suitable wine. A glass or a bottle? Our wine cellar holds many local wines, from small traditional wineries, in which class comes before mass. You will also find selected wines from Austria, France, Italy and Spain.

Let yourself be advised and pampered by our trained service staff.

We wish you an unforgettable culinary experience according to our motto
Simply. Good. Food.
